Subject: **3rd Philippine Solid & Hazardous Waste Management Conference 2018**

Dear Ms. Garcia:

Welcome back to the Philippines!

We are pleased to know that you have decided to revive the Philippine Solid and Hazardous Waste Management Conference that we have started together in Cebu City in 2007, and the second edition in 2008, with EMB-DENR Region 7.

The 3rd Philippine Solid & Hazardous Waste Management Conference 2018, like its earlier two versions, has the full support of this office, the host regional office – EMB Region 7 and the other regional offices of EMB nationwide. We would like to inform you that we are happy to collaborate, once again, in organizing this conference – its topics now more relevant than ever.

Now that you have decided to go back home to Bohol and organize the conferences from there, I am certain you will get the support you need since the environment is a priority agenda of your Provincial Government. Bohol is lucky to host a national conference which to date, is still the only conference in the country that focuses on solid and hazardous waste management.

In this regard, please inform us soon when we can meet and start brainstorming. We are designating **Mr. Geri-Geronimo Sañez**, Chief of the Hazardous Waste Management Section of the Environmental Quality Management Division of this Office to coordinate with you for the success of the Conference.

All the best and good luck.

Very truly yours,

ATTY. JONAS R. LEONES
